Dear Parent

- We hope you all and your loved ones are healthy in the ongoing COVID-19 time. We hope that your ward is enjoying learning through online classes being conducted by the teachers.
- The school is making good use of technology and working hard to reach out to its students with all kind of learning material.
- To ensure that there is no academic loss to the students all the teachers are working very hard. We are eagerly looking forward to the reopening of the school.
- As per state government directive, we would like to request all the parents of our students to pay one month school fee through the online payment gateway.
- We are sure that all parents understand that the school employees are dependent on their salary for supporting their family.
- Keeping in view the sincerity and dedication of the teachers, administrative staff, estate maintenance and civil staff, transport staff, security staff, housekeeping staff, gardener, maids and aaya's etc, the school understands that timely transfer of salary is required to support them.
- We look forward to your kind cooperation in these difficult times. We hope that you will understand school's dependency on the fees in order to run its whole machinery smoothly.
- Please note that there is no pressure whatsoever from the school's end on the issue of payment of school fee. There will be no late fee levied by school in case of delayed payment.

Seeking your co-operation in such an unprecedented time (COVID -19 LOCKDOWN).

Stay Home, Stay Safe & Stay Healthy.

For further queries regarding payment of fees, please contact respective class teacher.

Best wishes

Team DAV NH3
