Dear Parents,

The long awaited summer vacation is here, bringing with it the gift of togetherness that is spent in exploring books, storytelling and playing games. These days are precious and invaluable standing out as the most memorable days of childhood. We should always remind ourselves that children will not remember us for the gifts we shower upon them but will always cherish the time you spent with your little ones. It's time to nurture young minds, inculcate moral values and narrate family anecdotes to keep them in touch with their root.

We look forward to see their wonderful work on following dates:
